(Informal meeting with stakeholders, 12:30 to 2:30 PM at AIS)

Dr. Mark Meiners is coming back to provide assistance with our Strategy Workgroups! At this meeting, he will update the Planning Committee on the progress of the Strategy Workgroups and will discuss how San Diego might develop a funding proposal to begin implementing several pilot integration programs. Afterwards, he would like to continue the informal dialogue started with stakeholders at the June Planning Committee meetings. Please bring your lunch to the AIS Training Room, 9335 Hazard Way, San Diego, CA 92123, from 12:30 to 2:30 PM for a more informal meeting with Dr. Meiners, one of the country's leading experts on long term care integration!

Strategy Workgroups' meetings have been changed so that Dr. Meiners may participate in all three! Please check the attached schedule for new meeting dates, times, and places. Everyone is welcome, but if you are not a regular workgroup member, please RSVP so we can make sure the meeting rooms are ample. To RSVP or if you have any questions, please feel free to call me at 858.495.5428. I encourage you all to participate and bring any friends and colleagues interested/involved in long term care planning or health and social services with the elderly and disabled.
