TO: Health Plan Representatives
Data/Finance Workgroup
USC/UCLA Long Term Care Integration Center Staff

FROM: Evalyn Greb, Chief, San Diego Long Term Care Integration Project

**OPPORTUNITY TO MEET WITH USC/UCLA LONG TERM CARE INTEGRATION CENTER
STAFF AFTER AUGUST 31 PLANNING COMMITTEE MEETING**

San Diego's Long Term Care Integration Project will have the opportunity to dialogue with the staff who is analyzing the local Medi-Cal data to help us determine feasibility of the Project. After hearing from the expert from Arizona's successful LTC Program on **August 27**, this will be an ideal opportunity to discuss what remaining analysis may be most important for us in San Diego as we look for the optimal service delivery system.

As an important member of our local planning process, I invite you to join this session which will take place immediately after the Planning Committee, where a light lunch will be provided:

12:30 p.m. to 3:00 p.m., Friday, August 31, 2001
Lifemark Evercare
8840 Complex Drive, Suite 300
San Diego, CA 92123.

For further information, please call me at 858-495-5428 or e-mail at egrebxsa@co.san-diego.ca.us. I look forward to seeing you on the 31st! Thank you!
