From: Evalyn Greb, Chief, LTCIP

AUGUST 14, 2002, 10:30 am to Noon
Sharp Healthcare, Auditorium

San Diego, CA 92123

Jim McConnell, Chief of Adult and Disabled Services for Multnomah County, Oregon, has agreed to come back to San Diego to give us an update on Oregon's Long Term Care Program as they begin to coordinate with primary and acute care. Please join the Planning Committee Meeting and plan to come to the AIS Training Room afterwards to join the Options Workgroup. From 12:30 to 2:30, Mr. McConnell will be available on a more informal basis to discuss elements of the Oregon model that may be applicable in San Diego. Bring your lunch!

Thanks to all of you who were able to attend the July Planning Committee Meeting, which proved to be extremely helpful. **It also appears that Dr. Mark Meiners' visit may be leading to a formal partnership with the Robert Wood Johnson Foundation Medicare/Medicaid Integration Program!** Everyone is invited to assist in developing strategies as suggested by Dr. Meiners within the Options Workgroup. See the attached Options Workgroup meeting notes from July 22, 2002 for more details on the groups and how to get involved.

If you have any questions, please feel free to call me at 858.495.5428. I encourage you all to participate and bring any friends and colleagues interested/involved in long term care planning or health and social services with the elderly and disabled.
